

The Valley Hill Youth Treatment Centre is a newly established provincial residential treatment facility located in Prince Albert, SK. Serving youth aged 12-17, the Centre requires the leadership and experience of an Executive Director to lead the organization into successful operation.

## **Executive Director**

Reporting to the Board of Directors, the Executive Director will be responsible for the monitoring of the organization's needs, services and programs. This individual will provide insight and leadership in developing a program and evaluating treatment success. With a background in addictions management, the Executive Director will provide recommendations and make decisions regarding long-term planning, program development and coordination.

As the ideal candidate you will have evidence of a progressive career, complete with increased levels of responsibility and accountability. You have a deep commitment to mental health and addictions and a proven history of developing and implementing services to youth with addictions and mental health disorders. You are an innovative and strength-based leader with the ability to create a long-term vision and strategy for the organization.

If you are a passionate and trustworthy visionary, confident in your ability to lead this organization into operation please contact...
